soft seating

KASTAWAY

Kastaway is symbolic to being somewhere tranquil and relaxing opposed to a high pressure environment. The Kastaway landscape furniture collection can be linked together with details or shapes, or used as stand alone pieces, creating bespoke, flexible furniture solutions that can easily be arranged in a variety of dynamic configurations, making them ideal for employees and small groups to relax or meet informally.

Designed exclusively by David Fox

FIGARO

Designed with comfort in mind, Figaro lounge seating's sculpted seat and back cushions make it both eye-catching and timeless. Figaro seamlessly crosses the line between retro style and contemporary design and is extremely well crafted with a sturdy construction. A medium back chair is ideal for a relaxed or casual collaboration and a high back chair for when people need time to unwind and recharge, both with provocative lines and curves.

TWIST & SHOUT

The graceful curves and refined shape of the Twist & Shout chairs offer a welcoming place to work casually and comfortably. The chic frame design provides a contoured platform that supports sophistication, a welcoming seat and two expressive back shapes that both combine the pleasure of a warm embrace with a versatility suitable for any office environment. The 3 base styles and tablet arm option also make them ideal for classrooms, common areas, and meeting rooms.

RAY

Beautifully crafted and elegant in design, Ray offers an informal refuge for employees and small groups to encourage creativity and inspire collaboration. Ray is a traditionally styled, smart, angular soft seating design of great quality and comfort which, combined with the wooden frame, allows for a more creative look in the workplace, providing a retro look that will never go out of fashion.

COOPER

The Cooper seating family is what every good business needs, understated style and durability. Visually these pieces seem familiar, almost vintage, but with important original features including clean and confident lines defining the wooden frames and the deep, inviting form of the cushioned seats. The Cooper chairs offer an exceptional level of comfort and are smartly sized to make a big impression, even in small spaces.

modular soft seating

ENCORE MODULAR

The Encore Modular is as reconfigurable as it is versatile and can be grouped together to create large landscape configurations which are ideal for meetings and reception areas, or be used as stand-alone pieces. The quality construction and high traffic design deliver an endless array of configurations and the high back units offer comfort and privacy in a more informal space where people can work, team up or gather.

LYRIC MODULAR

Lyric Modular allows you to add and remove individual elements of the soft seating with ease to create a bespoke piece of furniture that can easily be re-sized to suit any office space, large or small. The Lyric Modular upholstered sofa is ideal for providing employees with an area to relax, whilst maintaining a business feel and providing a level of comfort that lends itself to informal get togethers.

meeting pods

KASTAWAY POD

Kastaway is the result of a creative design collaboration between Dams and international award winning designer David Fox. It was the designer's belief that if you are comfortable and relaxed, then your thought process is easier allowing you to think and act more fluidly, helping to alleviate the stress when making business decisions. Kastaway has been designed to transform the working environment into a modern, multi-functional workspace.

groups

ALBAN POD

The Alban Pod is built with all the acoustic and functional qualities of its sibling the Alban Top. Reflecting the change towards a comfortable, informal work space where private working pods are the norm, the Alban Pod can be used for team meetings, collaborative tasks or as a base for the day, and is ideal for creating a private space in modern open plan office environments.

private

seating

ENCORE POD

The Encore Pod has been designed to offer that essential private area in any busy work place by forming a virtual room within a larger open space. The clean, modern lines of the Encore high back seating fix together with a table and power supply to provide an enclosed visual and acoustic space, to accommodate working groups and teams with exceptional comfort and practicality.

acoustic hubs

HUSHHUB 1Mx1M

Privacy can be difficult to find in a modern, open plan office. From the smallest hub, which is like a telephone booth and adequate for one person, to the largest which can accommodate groups, they are the perfect peaceful environment for phone calls away from the noise and distraction, while ensuring that all conversations remain private.

private
hideout
hubs

HUSHHUB 2Mx1M

Acoustic hubs create an ideal breakout area, suitable for one-to-one meetings, and with an ambient noise level of 48dBA outside, they provide confidential privacy. They're also ideal for co-working tasks, such as small meetings or interviews, giving the users a space where they're not disturbed by the background noise being too loud.

**confidential
chat
hubs**

HUSHHUB 2Mx2M

Our hubs provide a designated shelter for employees to escape from the busy work environment, by creating an intimate, quiet study room suitable for working on individual projects away from the crowd. Whether working in solitude or focusing on concentrated tasks, they can improve an individual's concentration and efficiency in workplaces.

working
space
hubs

HUSHHUB 3Mx2M

The biophilic approach of our hub design helps to create a welcoming environment and has a marked effect on our creativity. The Hushhubs are a response to the current office needs for enclosed yet collaborative spaces within the modern workplace, and these hubs can also be more informal environments which encourage everyone to participate.

solli workspaces

SOLI HUBS

Too much interaction and not enough privacy has become a real issue for employees who need to concentrate or just take a break during the working day. Soli Hubs bring a new level of flexibility to the office with versatile, individual cubicles to suit all working styles. Soli's unique connection joints allow for endless workstation permutations, sharing components which saves space and costs compared to stand alone units.

private
acoustic
workstations

SOLI SQUARES

Soli Squares are high tiered square booths designed to provide a high level of acoustic and visual privacy, allowing individuals to concentrate and complete focussed tasks in a private space within the workplace environment. Soli's unique connection joints allow for multiple, additional workstations using shared components which saves space and costs compared to stand alone units. Desktops can be positioned at different heights to suit working styles.

private
working
booths

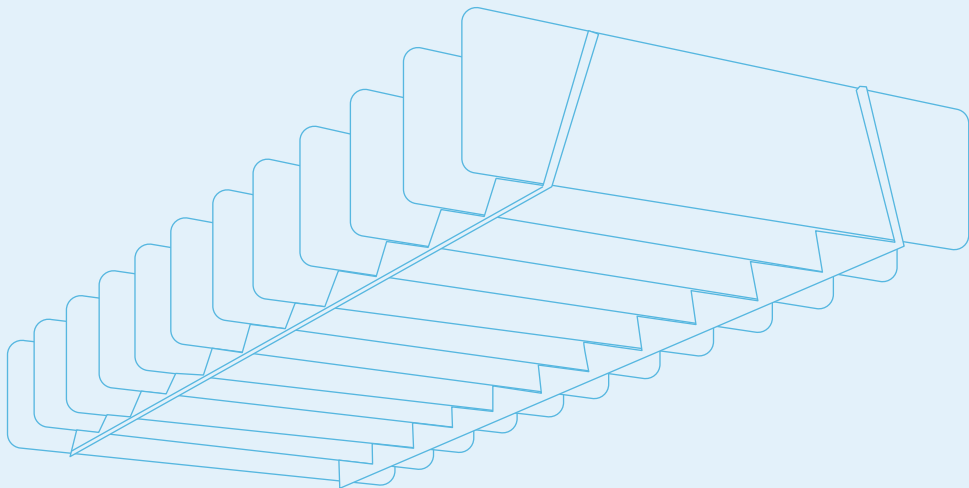

**SOLI
TRIANGLES**

The loss of private space and an inability to concentrate in an open plan work area has inspired the design of the Soli Triangles which can be configured to specific needs and support individual work zones. The rich repertoire of geometric shapes can be positioned to suit defined spaces and Soli's unique connection joints allow for copious arrangements, sharing components which saves space and costs compared to stand alone units.

piano acoustics

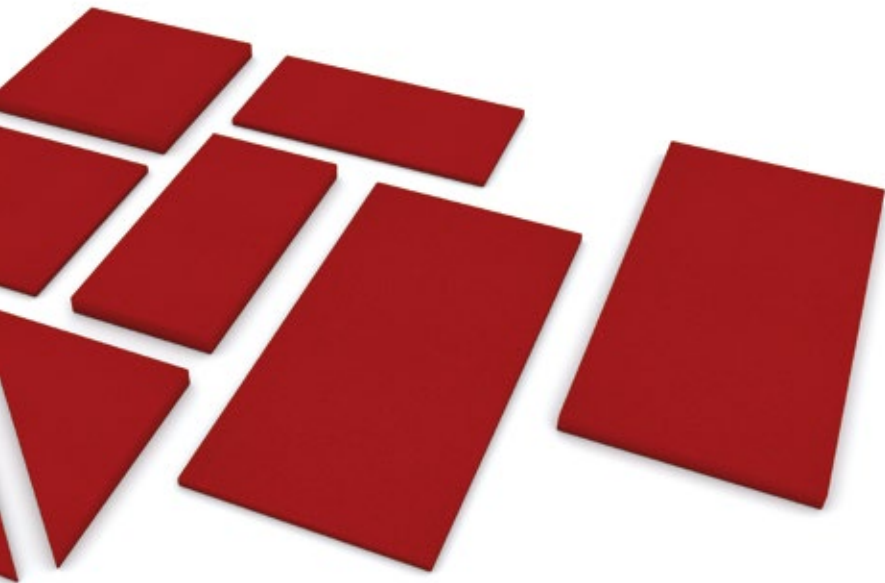

PIANO KEYS

The Piano Keys Screen is a breakthrough alternative to traditional floor screens that is changing everything - from the minds of office planners to the hearts of designers. The free-standing screen is made up of three individual acoustic blinds which stand on a sturdy base plate. The fabric covered acoustic panels rotate fully 360 degrees to provide complete privacy and visual protection when they are closed, or open the space up at any given time.

acoustic
screens

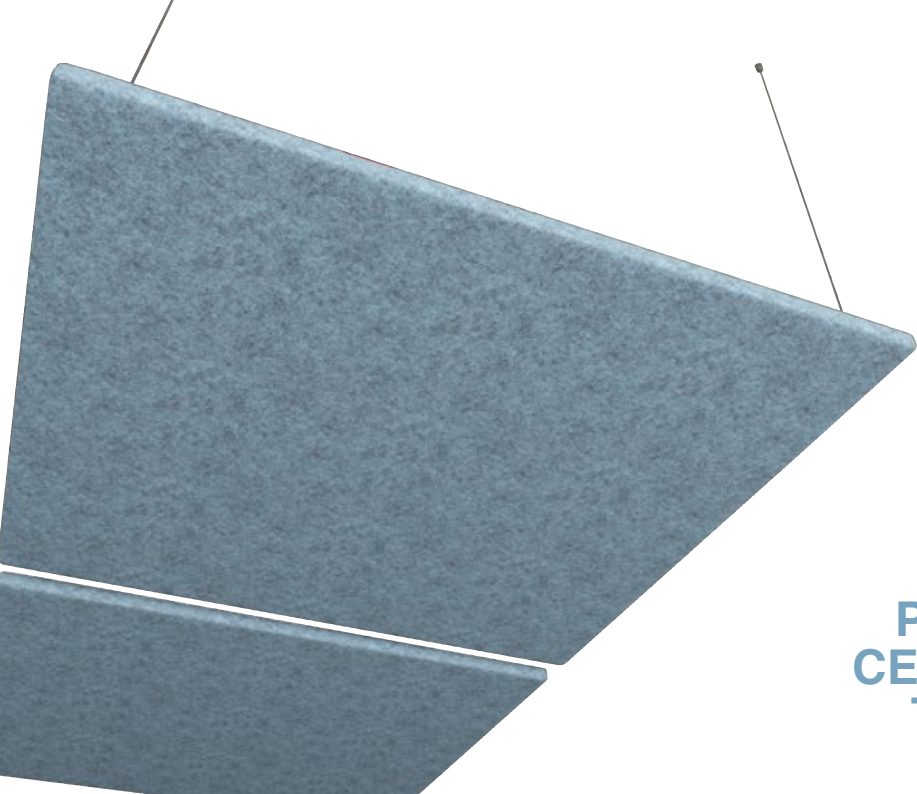

PIANO WALL TILES

Our Piano Tiles for walls are modular, acoustic panels are the decorative solution to sound control needs in any office, education or retail environment. Available in square, triangular, hexagonal and rectangular shapes in a choice of colours and thicknesses, Piano wall tiles can turn an empty wall space into a creative work of art which not only looks aesthetically pleasing but also provides excellent acoustic performance.

modular
acoustic
panels

**PIANO
CEILING
TILES**

Piano ceiling tiles can either be suspended from the ceiling and hung at various heights to offer multiple levels of more focussed acoustic control, or fit directly into 595mm x 595mm standard ceiling grid systems to dissipate sound. An ideal application for open plan offices, Piano ceiling tiles create a unique feature that enhances spaces visually and acoustically with an unobtrusive addition to the working area.

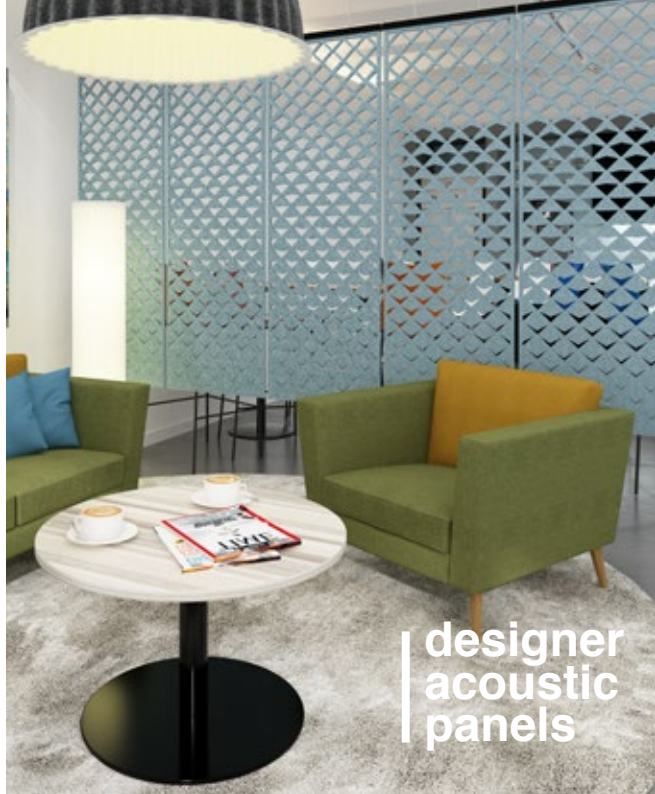

profiled
acoustic
absorbers

PIANO CHORDS

The simplistic beauty of the Piano Chords hanging acoustic panels is that they are available in five unique natural and geometric designs with a selection of colours, styles, and endless design possibilities. Piano Chords are hung from the ceiling with brackets and suspended tracks and act as a dividing curtain to provide the necessary combination of sound absorption and attenuation to control noise in interior environments.

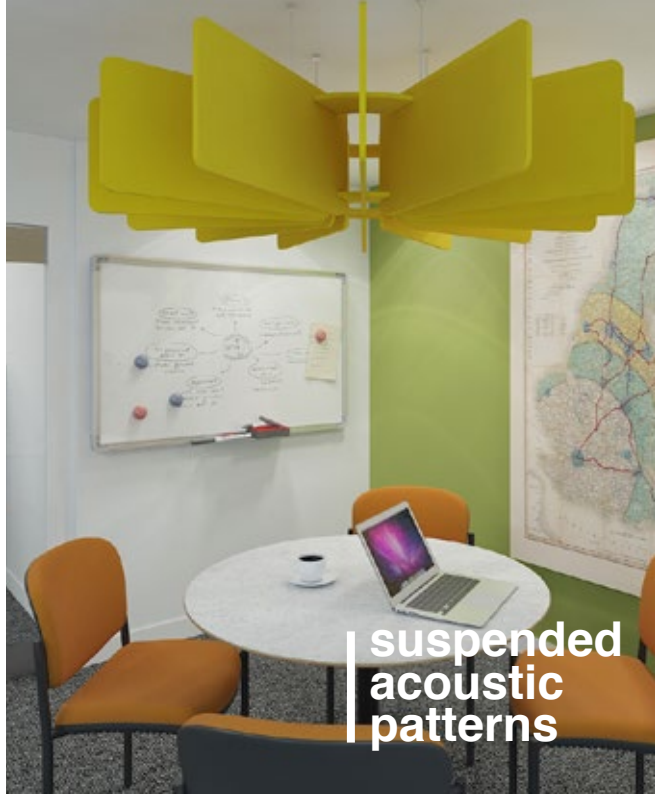

designer

panels

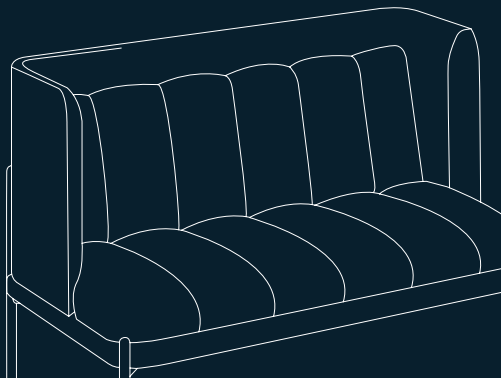

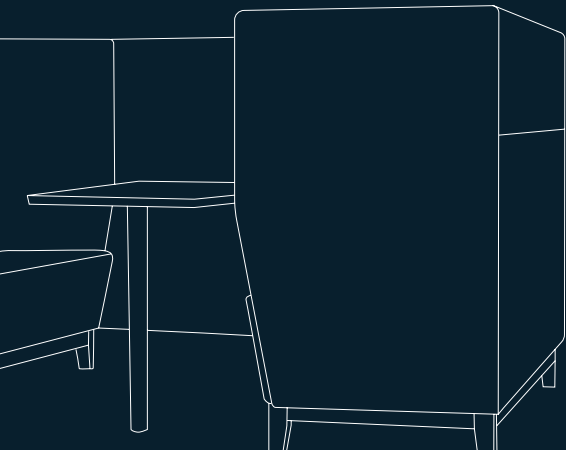

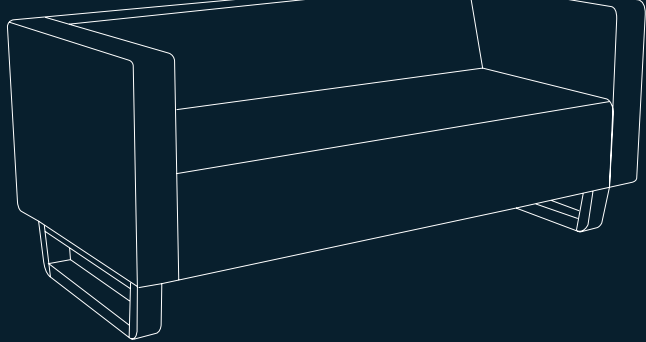

PIANO SCALES

Piano Scales are a range of suspended acoustic panels of various sizes and shapes that can be used in various combinations to improve the quality of the acoustic environment. Ideal for meeting rooms and dining areas, Piano Scales are a modern and interesting addition to any space, designed with functionality in mind to reduce reverberated noise and minimise factors that disturb meetings and get-togethers.
